

## Education for Sustainability Vision Statement

---

Aireys Inlet Primary School understand the importance of our environment in the development, wellbeing and safety of our students and the wider community. By implementing sustainable practices to reduce our ecological footprint, we recognize our responsibility to current and future generations to protect our environment.

Established principles of consideration to environmental impact remain a priority in our decision making. Aireys Inlet Primary School will endeavour to incorporate education regarding sustainable practices across all areas of the school.

**Approved by School Council on 18<sup>th</sup> February 2020**
